4 Beds | 3 Baths | 3,023 Sqft

You will say "Wow" the minute you walk through the door. New roof and exterior paint in 2017! 4 Bedrooms, 3 Baths, Den and Bonus Room. The owner has spent thousands to make the home highly energy efficient. AC replaced 6 years ago with a 15 Seer Variable Speed unit. Attic is insulated to over R60 with Radiant Barrier and windows replace with dual glazed vinyl double hung windows. Spacious screened patio is perfect for entertaining and the sunsets are gorgeous from this home. Pool was resurfaced with PebbleTec in 2010 and should provide a lifetime finish. Salt cell & pool pump have been replaced. Separate formal living and dining rooms, separated by hardwood in the the walkway area. Crown molding and neutral decor to fit any lifestyle. Large family room area open to the kitchen & overlooking the pool. The kitchen was upgraded and remodeled by the owner with new cabinets, granite counter tops, stainless steel appliances and hardwood flooring. Enjoy amazing sunsets from the backyard patio w/gazebo. The bonus room
