You'll find all bedrooms upstairs in this newer home with an amazingly convenient location to shopping, dining, schools and, of course, Walt Disney World. Speaking of WDW, the master suite has a private covered balcony for relaxing and watching Disney's nightly fireworks show. Additional benefits of this home include: centralized kitchen with granite counters, upgraded backsplash, kitchen island, stainless appliances and upgraded cabinets; completely tiled first floor; carpeted second floor with open flex space to use as you'd like; master suite with walk-in closet and master bath featuring dual sinks and walk-in shower; roomy secondary bedrooms; back covered patio including brick pavers; over-sized laundry room; whole home water filtration system; smaller lot size with low maintenance plants for easier maintenance and more. Community amenities are just a few doors down from the house and include community pool with cabana and playground as well as an open
