**4 Beds | 2.0 Baths | 2,101 Sqft**

Welcome home to this updated 4 bedroom, 2 bath Conway POOL home with more than 2,100 SqFt of OPEN living space. Get to know your neighbors on this PRIVATE and quiet street with custom homes and virtually no drive-by traffic. Entering the home you'll find a brightly-lit foyer and living room with polished HARDWOOD floors that continue throughout the living areas and kitchen. Stainless steel appliances, solid wood cabinets and granite countertops are the highlight of this upgraded and roomy kitchen, complete with a large breakfast bar that opens to the bonus room with pool views. Recessed and pendant lighting provide the perfect accent to this MODERN home. The split floor plan features a master suite on one side with an ensuite office, tons of closet space, dual vanities and a walk-in shower. With both a kitchenette and a formal dining room, this home has the space to accommodate households of any size. A renovated bonus room provides flex-space for a game room, play room, full-size home office or casual family room. Three additional over-sized bedrooms are located on the opposite side of the home which provides privacy and quiet for everyone. The pool bath includes a full size tub, shower, and large vanity with direct access onto the paved deck. Entertain the whole neighborhood with your in-ground pool that was large and deep enough for a diving board at one time. With a 2-car garage, a deep drive, plus on-street parking, finding parking is never a problem. Excellent Lake Como K-8 and Boone School Zones.
