You'll find all bedrooms upstairs in this newer home with an amazingly convenient location to shopping, dining, schools and, of course, Walt Disney World. Speaking of WDW. Benefits of this home include: centralized kitchen with granite counters, upgraded cabinetry and back splash, kitchen island, stainless appliances; completely tiled first floor; carpeted second floor with open flex space to use as you'd like; master suite with walk in closet; master bath featuring dual sinks and walk in shower; roomy secondary bedrooms; extra closet space for storage under the stairs; back covered patio with including brick pavers; over-sized laundry room; water softener; smaller lot size with low maintenance plants for easier maintenance and more. Community amenities are just a stone's throw away and include community pool with cabana and play area as well as an open green area in the central part of the community. Come see all this home has to offer.
