Welcome to 1060 Fox Hunt Drive! This incredible estate is truly a nature lover's dream, with its 5+ acres of stunningly manicured property, featuring 3 stocked ponds, a wide variety of trees, wood ducks, cranes, turkeys, and more roaming the property. The custom home was built with no expense spared and with quality at the forefront of every design option. It features tons of custom millwork, double and triple tray ceilings, double pane windows and doors, 40 year roof shingles, heavily upgraded electrical service, foam insulated block, insulated interior walls, and more - all making for an incredibly energy efficient residence! As you enter the home through the double leaded glass entry doors, you are greeted by the formal living and dining rooms, both with custom ceilings, and with immediate water and nature views that are truly breathtaking! There is a custom kitchen with solid wood cabinetry, granite countertops, a breakfast nook, and it opens onto the family room, which all take advantage of the amazing views. The owner's suite is a generous size and is completed by his and hers walk in closets, dual vanities, a large soaking tub, and a huge shower with double entry. There is a large screened lanai accessible from the living areas, and leading out to a wood deck with a path to the fire pit island! This property is truly unique and the quality is unparalleled! Make this dream home yours today!
