Welcome to Palma Vista, one of the areas most desirable gated neighborhoods. Experience the Florida lifestyle with pride of homeownership from the moment you pull into the inviting brick paved driveway and be amazed by the beautiful, lush, and manicured landscaping. The impeccable exterior prepares you to enter a meticulously well maintained home opening to a fabulous spacious split floor plan with 12 foot ceilings adorned with crown molding, acacia wood floors, and sliding glass doors leading you to a relaxing screened in patio and heated pool with a built-in summer kitchen. There is plenty of indoor and outdoor space for entertaining or just enjoying the spectacular ambiance this home has to offer. The kitchen is fully equipped with stainless steel appliances, 42" maple wood cabinets, exotic solaris granite countertops, two pantries, breakfast bar, and a dinette nook overlooking the pool. Kitchen opens to the family room with lots of natural light from the elegant gallery windows. The spacious master bedroom suite has sliding glass doors to the pool area, a large walk-in closet, extra storage space, and bathroom with dual vanities, separate tub, and walk-in shower. The home is a bonus for any buyer as it is ready to move-in. Other notable upgrades include a smart home lighting system and a water softener.
