4 Beds | 2.0 Baths | 1447 Sqft
204999

Welcome to this tastefully updated 4 bed 2 bath home with 1,447 square feet of living space. The driveway leads to the covered front porch entry. An open concept living area is filled with natural Florida sunshine. The fully updated kitchen features white cabinets, granite countertops, custom tiled backsplash and opens to the dining area. Extend your entertainment to the air conditioned Florida Room overlooking the lushly landscaped backyard. This large area can be used as a game room, play room, study, office – unlimited possibilities. The patio area is perfect for summer BBQ's, or setup a fire pit to stay warm on those cool winter evenings. The master suite is large, and the master bath includes new shower and fixtures. This home is located close shopping, dining and many recreational opportunities including world class golf, fishing and more. Call now to schedule your showing!
