Luxurious Lakefront masterpiece along the waters of the world-famous Conway Chain of Lakes! If you are seeking an estate-level waterfront experience with top of the line custom construction in a private gated community, do not delay in viewing this home as it is priced to sell. This Mediterranean style 4 bedroom+ office home is well appointed in a gated exclusive waterfront neighborhood. This home features gorgeous sweeping views of the backyard enclosed pool setting – a perfect space with private backdrop for entertaining groups of all sizes. Enjoy a quiet book in the evening at the upstairs balcony, and a morning coffee on the rear porch off of the bonus space. True Chef's kitchen features custom cabinetry, granite counter tops, gas stove, Bosch and Jennair appliances and your very own built-in espresso machine. Spacious bonus room off of living room and kitchen provides the perfect space for game room, home theater or personal gym. The quality of construction is unmatched by anything on the Chain of Lakes, featuring extensive use of natural stone, hand crafted custom millwork, high-end cabinetry, fixtures, tankless water heater and of course designer touches. The downstairs master ensuite provides a great escape from it all and opens directly to the enclosed pool lanai, as do all of the downstairs living spaces. The oversized three car garage and dock provide space for all of the toys that make the lakefront lifestyle so memorable. Convenient location to Downtown, OIA, Lake Nona and the hospitals.
