With well over \$128,000 in decadent upgrades (not including its pool and premium lot), every detail in this home has been stylishly designed and carefully crafted. The kitchen is stunning – with enormous granite-topped eat-up bar, modish backsplash, wine rack, & stainless appliances. The bedrooms are quite spacious, and there are two master suites – one up, one down. From the family room (and lower master suite), gaze out on the sprawling enclosed pool deck with spectacular water views. Upstairs, more luxury meets leisure again in the home's huge bonus loft AND home-theater room. This house was built for entertaining! All designer furnishings included!
