Set in the quiet tree lined community of Mariner's Cove you'll enjoy a convenient and clean neighborhood close to everything. Making your way through the secured front entrance upstairs to your new home. The open concept living/dining area give you lots of space and natural light. The entire unit is lined with upgraded laminate wood flooring. The kitchen hosts granite counter tops, upgraded white cabinets and stainless steel appliances. Both bedrooms are generously sized and there is a walk in closet in the master bedroom. The bath has been upgraded with a large granite counter top and a modern yet classic sink. For added convenience there is a large laundry room right off the kitchen. This community offers amenities for everyone! Enjoy swimming in the pool, fishing from the dock or picking out a new book to enjoy from the community library. You will not be disappointed! Make an offer today!
