4 Beds | 2.5 Baths | 2904 Sqft
340,000.00

Welcome to this country style pool home surrounded by trees in a park like setting. Featuring 4 beds, 2.5 baths and 2,904 sf of well-appointed living space. Arriving to the property you'll appreciate the long winding driveway and Spanish moss blowing from the mature oaks. As you make your way inside you find a bright, spacious interior with high ceilings and views to the fully screened pool and lanai. The kitchen includes large cabinets, stainless steel appliances, granite countertop and pendant lighting over the pre-island. Adjacent casual dining area leads to the pool through French doors. Extend your entertainment to the pool and patio, fully screened for year round enjoyment. There is plenty of room for lounging and relaxing. Choose the shade of the covered patio, or the paved poolside deck. A beautiful backyard gazebo and stone firepit complete the spectacular outdoor living area. The master suite includes a sitting area, and master bath features dual pedestal sinks and soaking tub. Additional beds and baths will accommodate overnight friends and your growing family. Located close to shopping, dining and major roadways. Yet, secluded in a country like setting for the perfect balance of comfort and convenience. Call now to schedule your showing!
