This beautiful home located in Harbor Hills is the perfect location for your next dream home. It located in a cul-de-sac that allows privacy and tranquility. The kitchen is the real gem of the home. Beautiful 42 INCH KITCHEN cabinets await and a large kitchen island, great for food prepping or wonder gathering. Granite also make this space wonderful. The kitchen is oversized and includes a bow window great for enjoying great views. The great room is just off the kitchen, but private enough for many. It features a large wall for your entertainment area as well as large room for your furniture. the guest rooms are separate from the master suite and provide plenty of privacy. It also has a jack/jill bathroom. The master suite is the real winner. it is large enough for a king size bed/end tables and even has enough room a nice sitting area. the real gem is the outdoor area as pictures do not do it justice. New hvac unit in 2018 and exterior lighting add that special touch. Harbor Hills has a award winning golf course and amenities, plus access to Lake Griffin that features world-class fishing.
