Enjoy the screened-in, saltwater pool with custom lighting, waterfall feature and heater. The kitchen is full of upgrades including granite countertops, tile backsplash, and a large pantry. Upstairs you'll find the loft which makes for a great den/office and can be converted to a 4th bedroom if needed. The owner's suite has access to a private balcony overlooking the pool. The owner's bathroom is beautifully upgraded with travertine tile floors, granite countertop, frameless shower, upgraded cabinetry and lovely French doors that open to the large walk-in closet. Additional upgrades in the home include crown molding throughout, plantation shutters, ceiling fans in the bedrooms and family room and plentiful storage! The laundry room offers plenty of space and storage to keep clothes organized and the 3-car garage offers plenty of room for a golf cart since this is a golf-cart friendly community! The exterior of the home was painted in 2021 and the AC was replaced in 2020.
