Located in one of the greatest communities of the Dr. Phillips area this magnificent custom home on almost a half-acre fenced lot welcomes you to a completely redesigned and renovated contemporary interior with soaring ceilings. No expense was spared as you find quality materials throughout the home such as porcelain wood tiles, custom aluminum staircase, stacked stone accent walls, modern light fixtures, crown molding, and a gas fireplace. The chic kitchen is a chef's delight with a Bosch stainless steel appliances, induction cooktop, exhaust hood, wine cooler, soft close cabinetry, and a large quartz waterfall island perfect for entertaining. The master suite is conveniently located on the main level and features two walk in closets and French doors leading out to the lanai. The luxurious spa bath awaits you with custom stone work, dual vanities, massive walk in shower, and a jetted tub poised in the center. The study makes working from home a dream with French doors leading to the screened in pool. If you don't need the study you can use it as a 5th bedroom since there is a full bathroom next to it. Secondary bedrooms are all spacious with ample closet space and adjacent bathrooms that were recently renovated. Two of the bedrooms share a stone balcony overlooking the property. If you have a boat with a trailer you are going to love the garage with double sided garage doors for easy drop off and pick up. Bay Side Drive is within close proximity to "A" rated schools, Restaurant Row, area attractions,
