Secluded country oasis, only minutes away from the convenience of downtown Groveland and Clermont in the highly sought-after Lake Country charm. This beautiful almost 12 acre property is in a great school system. The kids can safely play in the playground, ride their bikes in the long driveway, swing in the tire swing under a mature oak tree care-free as the entire property is securely fenced. Adults can enjoy exploring a forest (mature magnolias, maple, oak, and pine trees) four wheeling in trails, sitting around a massive bon fire, target practice in a gun range, or enjoy majestic sunsets in a custom-built outdoor seating area with electricity, outdoor fan, ambient lighting and flood lights. If you enjoy being surrounded by nature with animal visitors like wild turkey, piglets, field mouse, armadillos, possums, rabbits and deer roaming the property this is the place for you!
