3 Beds | 2 Baths | 1718 Sqft

A well maintained 3 bed, 2 bath home located in the popular Belle Isle community. At 1718 sq feet, this is larger than the average home in the area, and allows for spacious living with a separate living room, Florida room, and bonus area. New roof in September 2021, new AC early 2020, new refrigerator & dishwasher in 2020. The septic system was serviced, emptied, and inspected in 2019; the Terrazzo floor has recently been polished and the home interior has been painted. Your Belle Isle home is move in ready. The main bedroom suite is large enough to provide a sitting/relaxing area, along with your sleeping accommodations; a large walk-in closet, and shower area that fits more than one person at a time!!! There is a 2nd covered patio area directly off of the main bedroom; the 1st covered patio can be accessed through sliding glass doors off of the Florida room. Your back garden is large enough for everyone to enjoy the Florida weather; there is also a good size shed for extra storage.
