3 Beds | 3 Baths | 3172 Sqft

This 3 bedroom/3 bath home is located in one of the most desirable locations in Englewood with direct no bridge access to the Gulf of Mexico. This one-of-a-kind home just underwent an extensive remodel in 2021. All new roof trusses, decking, and metal roof. The home has all new electrical, plumbing and a top-of-the-line HVAC system. Windows and doors are PGT impact with custom blinds and tile throughout the home. The bright, open kitchen features new custom cabinetry, granite countertops, marble backsplash, an eat at bar with two barstools and the complete stainless Café suite of appliances. Capiz shell lighting in dining and kitchen adds an extra coastal feel. Dining room includes IFD coastal table with 4 chairs and bench. Living room has a modern 60" Minka Aire fan, matching IFD entertainment center and new 65" Samsung TV. There is a wrap-around screened porch that can be accessed from the living room or dining area. Perfect for enjoying the coastal breeze while sipping your morning
