Prepare to be impressed with this ONE-OF-A-KIND floorplan in the Parade of Homes winning community, OAKLAND PARK! Very few homes in the neighborhood have this layout, which makes it unique. This park side home (Seaside Model) features 5 bedrooms (Primary suite downstairs), 4.5 baths, 3 car garage, wood floors, gourmet kitchen, shutters, a loft, outdoor kitchen with granite counter, a spacious screened-in patio, which is perfect for or watching sports, and so much more. The 5th bedroom and bonus area is located over the garage and includes a full bath, kitchen, and washer/dryer hookup, which would serve well as a mother-in-law suite, office, theater room, or music room. The kitchen features stainless appliances including a gas cook-top, vented hood, built-in oven and microwave, along with granite counters, light cabinets, and beautiful backsplash. There's ample room to eat at the island or the dining area overlooking the park. Additional space is towards the front of the home facing the park, which is often used as an office. Wood floors are throughout the main part of the home and stairs, excluding the master bedroom. Upstairs consists of 3 bedrooms, 2 baths (one en-suite), and a loft. The primary suite includes dual sinks, granite counters, garden tub, shower, a walk-in closet with laundry room access.
