2 Beds | 2 Baths | 1631 Sqft
\$380,000

Built in 2021-This popular Affirm Model offers coastal colors and is the **NEWEST** single-family home currently available in Trilogy for this price. It is the perfect size with 2 bedrooms plus a den currently being used as a home office. This high elevation on this premium lot offers a nice vantage point and privacy while enjoying the shade on your covered lanai. This special home is a must-see with over \$40,000 in well-appointed upgrades including a stylish Rolling Wall of glass doors in the great room providing an abundance of natural light and an open site line and access for outdoor entertaining! The kitchen and extensive island are great for hosting gatherings with family and friends...cooking will be enjoyable with the Stainless Steel Appliances, Gas cooking, and beautiful Granite Countertops. Retreat to your master bedroom oasis with tray ceiling, an ensuite bath and generous walk in closet. This like-new home offers all the fresh features but layered with all the extras that don't
