Welcome to this exquisite estate, where luxurious living and grand-scale entertaining come together in perfect harmony. Inspired by the breathtaking beauty of the Amalfi Coast, this Tuscan-style custom-built equestrian home is a true testament to unparalleled luxury. As you pass through the large iron gates, you'll be captivated by the sheer elegance and sophistication that awaits. Nestled on over 7 acres of meticulously manicured grounds, this private gated estate showcases flowing fields and equestrian stables, accompanied by a remarkable 6-vehicle showroom with a guest suite above. The main house spans an impressive 5,000 square feet under air and is gracefully positioned on a pristine lakefront lot, offering captivating views at every turn. Upon entering the double front doors, you'll be greeted by warm earth-colored stone and cedar soffits, seamlessly blending contemporary elements with old-world charm. The exquisite bird's nest staircase beckons you to explore the entertainment
