This sprawling 5-bedroom estate in Sweetwater Oaks has great curb appeal and sits on nearly half an acre. The recently renovated home offers an open floorplan with vaulted ceilings, gleaming hardwood floors, a cozy fireplace and custom millwork. The spacious kitchen overlooks the living room and features a dining area, granite countertops, Kitchen Aid appliances, an island and a coffee/wine bar. Just off the living room, you'll find a screened-in backyard oasis that includes a covered lanai, a summer kitchen and a fantastic saltwater pool surrounded by a cobblestone deck. Beyond the enclosure, the rest of the park-like yard is fenced-in with landscaped garden beds and a picnic area. The primary bedroom boasts a tray ceiling and has a French door leading out to the lanai. The ensuite includes dual sinks, plenty of storage, a walk-in closet and a massive custom-tiled shower. One guest room has a private bathroom, creating the perfect potential in-law suite. The larger of the two other hallway bathrooms includes two sinks and has access to the pool deck. The nearly 3,300 sqft floorplan also fits in a dedicated home office with a built-in desk & a wall of cabinetry, as well as a large pantry/laundry area with floor-to-ceiling storage & an extra fridge.
