Brand new, amazing intercoastal home! Let's begin with LOCATION, right on the New Smyrna-Edgewater line. The house has 5 bedrooms, with 2 master bedrooms; one downstairs and one upstairs. Off the upstairs master is a beautiful balcony that overlooks the Indian River. The interior design colors, tile and upgraded trim features look and feel like a showroom, look closely at the pictures because the list of details is endless. The kitchen has all the space you would want to host family gatherings, with multiple counter spaces and a full-sized kitchen table. The open floor plan brings everyone together. Backyard is an entertainer's dream with an oversized pool and hot tub.
