Enjoy the luxurious Florida lifestyle you've envisioned in Windermere's prestigious Lake Cypress Cove. On nearly an acre of land, this opulent 5-bedroom, 5 1/2-bath executive residence exudes elegance, with recent upgrades to flooring, counters, cabinetry, paint, and lighting fixtures. A brick paver driveway, rustic stone façade, and Mediterranean-style courtyard entrance set the tone for the lavish interior that awaits. The main floor is a masterpiece of design, featuring 12' ceilings, an open concept great room, a gourmet kitchen fit for a culinary connoisseur, a formal dining room for hosting sophisticated soirées, a luxurious owner's suite, a 1st floor guest bedroom, and a home office with a private entrance. Upon entering, guests' eyes will be immediately drawn to the wall of 10' glass sliders with the pool, spa, and expansive emerald lawn beyond. The flooring throughout the main living area is new wood-look tile plank that has been meticulously installed. The gourmet kitchen is a chef's dream, adorned with custom double-stacked cabinetry, under cabinet lighting, exquisite granite countertops, walk-in pantry, stone backsplash, and top-of-the-line Electrolux stainless-steel appliances, including a double oven and a 6-burner gas cooktop. The kitchen seamlessly flows into the living room and dining room, forming an ideal space for entertaining in the heart of the home. The 1st floor owner's bedroom offers a serene sitting area and an expansive ensuite bath, complete with a walk-in shower and a large standing tub. A connected space for a home gym, art studio, or massage room, plus a private laundry room further enhances the suite's allure. A staircase with wrought iron
