4 Beds | 3 Baths | 2508 Sqft
459,000

This 4 bedroom, 2 1/2 bath home offers an open floor plan for the family room, breakfast and kitchen; in addition to a separate dining room and formal living room. This home has NEW roof, gutters and French drains! The kitchen features ample cabinetry and counters, with a large walk in pantry. The laundry room and 1/2 bath is also located on the first floor. Upstairs there is a spacious loft in addition to the 4 bedrooms and 2 full baths. The large master suite offers a large soaking tub, walk in shower and spacious master closet. The home features a great size yard that is conveniently located within walking distance to the one of the two neighborhood pools and playgrounds. This highly sought after neighborhood is close to the Orlando International Airport and many Orlando attractions.
