Kick off the holidays in this stucco beauty in Oak Hill Reserve, a great community on the edge of Wekiwa Springs State Park. The curb appeal here includes landscaped garden beds, a side-entry garage and a covered front porch. Inside the foyer, you'll find a living and dining room with LVP flooring and lots of natural light. The spacious kitchen is open to the family room and features granite countertops, 42-inch cabinets, a pantry, an island and a long breakfast bar with pendant lights. Both the dining nook and the family room have access to the screened-in lanai, which has more than enough space to entertain. The fenced-in backyard includes a storage shed and a firepit area. But with a yard this big, there's plenty of room for a future pool cage. The primary bedroom boasts a tray ceiling and a huge ensuite with his&her vanities, a corner soaking tub and a separate tiled shower. The guest rooms down the hall have ceiling fans and hardwood floors (no carpets here!). The floorplan in this 2,403 sqft home even includes a laundry room/dropzone with tons of storage at the entrance of the garage. Oak Hill Reserve is a quiet, tree-lined neighborhood close to schools, parks and the Apopka Amphitheater. You'll also be less than 10 min from Publix and all the shopping & dining along Rock Springs Rd. You can enjoy all the hiking/biking trails, kayaking, swimming and other outdoor activities at nearby Wekiwa Springs State Park, too. New residents are still arriving in Central Florida in record numbers, so make an appointment before someone else does.
