3 LOTS WITH THE PROPERTY SALE EACH WITH OWN PARCEL ID AND ADDRESS In the heart of historic Eatonville lies a rare real estate gem – an incredible opportunity encompassing three distinct lots, each boasting its own tax ID and parcel. With one lot ready for immediate construction, the potential to craft a bespoke single-family home awaits. The other two lots, currently occupied by a residence, present a canvas for your vision, with the prospect of limitless possibilities once cleared. Strategically positioned, this property is a mere 10 minutes from downtown Winter Park and enjoys proximity to all major roads, ensuring seamless connectivity. Nestled in the burgeoning community of Eatonville, this location is on the rise, offering a chance to be part of its vibrant growth. As an added advantage, the property sits in close proximity to one of Central Florida's newest elementary schools, providing
