Located on nearly 2 acres of pristine land this Lake front property is awaiting new homeowners. Experience breathtaking views of the lakeshore through large, picturesque windows along the back of the home. A dedicated boat dock built 2022, awaits your waterfront adventures. The walkway has solar lights leading the way to the dock. Whether you're setting sail in your pontoon boat at sunrise or enjoying the evening on the dock, the lake is yours to explore. Lake Price is an 88 acre spring fed ski lake. Step back inside and experience privacy and comfort with the split bedroom floor plan. This home has numerous updates, and the pride of ownership is evident. If a relaxing lifestyle is what you are looking for then this is the home for you!
