5 Beds | 3 Baths | 3033 Sqft
589000

Wonderful home located in the Enclave Subdivision of Tapestry. Great location and close to everything. This huge 5-bedroom, 3 full bathroom home features granite countertops and the full appliances package in the kitchen, elegant and tall cabinets, pantry, etc. Then close to the kitchen is the very spacious family room for those large gatherings. The master suite has double doors, 2 large walk-in closets and stunning en suite bath with double sinks, soaking tub, separate shower stall. Upstairs there also is three extra bedrooms with walk in closets. Let's not forget the 5th bedroom. It is located downstairs with a full bath next door, thus great for guests. There also is a huge loft/den/flex space located upstairs. The back yard has a large space allowing for gardening or even space for a pool. This gorgeous home has everything you need. This is a beautiful and large home perfect for all of your family members. The HOA has low fees and includes a pool and playground. This great location is only minutes away from Walt Disney World, Orlando International Airport, The Loop Shopping Mall and major highways. Submit your offer today! Come on BUY today!
