4 Beds | 2 Baths | 1999 Sqft
\$395,000

This 4 bedroom 2 bath home is the perfect combination of functionality and relaxation. Unwind on the screened patio while looking at the conservation area behind a beautiful wrought iron fence. PVC fencing on either side provides privacy in the spacious backyard. Inside enjoy the open kitchen/living/dining floor plan that allows for entertaining with ease. Granite counters and beautiful dark wood cabinetry make the kitchen a focal point of the home. Your guests will enjoy sitting at the kitchen island looking into the well appointed kitchen with stainless steel appliances and large pantry. The primary suite offers views of the private backyard while also creating a retreat-like feel of it's own with tray ceiling, en suite bath with easy entry shower, spacious closet, and much more. Three additional bedrooms provide enough space for everyone to feel they have privacy of their own. You won't want to miss your opportunity to live with the old Florida views that others dream of. Schedule your showing today!
