Nestled in the country, this custom-built gem by Kent Custom Homes offers the epitome of elegant rural living on a sprawling acreage of just over 1 acre. As you step into this remarkable 3-bedroom, 3 1/2-bath home, you're greeted by an array of luxuries and comforts perfectly designed for modern living. The heart of the home features two primary bedrooms on the first floor, each accompanied by its own bathroom. The main primary bedroom is spacious with French doors that lead out to the screened-in patio. The main primary bathroom features dual sinks, walk-in shower & separate tub. The primary walk-in closet is connected to the bathroom. The second primary bedroom features Jack and Jill bathroom that connects to a unique addition to the home. A versatile possible 4th bedroom, currently showcasing a built-in minibar. This space is ideally suited for transformation into an in-law suite, offering endless possibilities for your living arrangements. Ascending to the second floor reveals a versatile bedroom that seamlessly doubles as a game room, office, or serene family retreat area, complete with a full bathroom. This level also hosts a large, spacious storage area, presenting an opportunity for conversion into an additional room; although, it's worth noting the absence of air conditioning in this space. The culinary heart of the home is a spacious kitchen adorned with quartz countertops and state-of-the-art stainless steel Café appliances. The open plan design ensures the kitchen and family room blend seamlessly into the dining area, creating an inviting space for family gatherings and entertainment. Additional features on the ground floor include a cozy
