This extraordinary Taylor Morrison Chandler is characterized by soaring ceilings, an abundance of large windows allowing natural light to flood the home, and wrought-iron spindles adorning the grand hardwood flooring staircase. The home is adorned with plantation shutters, crown molding, and upgraded baseboards throughout. The recently painted interior (2021) complements the new ceramic "wood-like" tile and recessed LED lighting, creating a warm, welcoming atmosphere. The patio area is a private oasis with an in-ground swimming pool, water feature, and stylish interior upgrades. The extra-large paver pool deck and extended, covered, enclosed patio area are perfect for outdoor entertaining. Additional features include new outdoor ceiling fans, retractable sliders, rock-accented border along the pool area, and canned lights, all surrounded by mature landscaping for added privacy.
