Nestled in the vibrant community of Remington in Kissimmee, FL, this tastefully updated and meticulously appointed residence invites you to step into a world of elegance and comfort. Built in 2002, this CBS (Concrete Block Structure) home offers 4 bedrooms, 2 baths, and over 1,560 square feet of living space, perfect for family living and entertaining guests. Immaculately updated throughout, every detail of this home radiates charm and sophistication. With generously sized living areas, there's ample space to unwind and relax. Upon entry, you'll be greeted by a modern kitchen adorned with brand new solid wood cabinets, luxurious custom quartz countertops, and sleek new stainless steel appliances, setting the stage for culinary excellence. Recent upgrades include new luxury vinyl flooring and baseboards, new faucets, sinks, and updated bathrooms, adding a contemporary touch to your daily routine. The home also features a new roof installed in March 2024, a newer air conditioner, a new garage door with a wireless opener, a new water heater, LED lights throughout for energy efficiency, and new ceiling fans for added comfort and style. Step outside to discover a fenced yard.
