This is the property you have been waiting for! Absolutely beautiful views, surround this private oasis. You have the creek, lush greenery and trees on the left side of your home, the fishing pond and 11-acre horse pasture with barn behind you, which is maintained by a neighboring HOA. There's only one neighbor to your right. Bring your dogs, horse, chickens and RV because this property doesn't have an HOA. This split floor plan home has large rooms, tile floors throughout and a beautiful stone fireplace that is woodburning, but also has an electric insert for ease and convenience. There is a huge, screened lanai, close to 700 sq. ft. looking out on your expansive property, pasture and horses. Outside the lanai is a firepit and chairs which stay with the home. The 45x20 ft. RV pad can accommodate up to a 45' RV. There are two 50 amp. outlets, one inside the garage and one outside the garage. There are so many possibilities with this home and property. You can add on, go up, or just start from scratch. Build a compound if you so desire. You are 2 miles from the 429 and the Winter Garden Village at Fowler Groves. This one won't last long!
