This single-level 4-bedroom home in the desirable community of Stonebriar won't last long! The property has great curb appeal, with a paver driveway, landscaped planting beds and tall palm trees in the front yard. The huge living room at the front of the floorplan is filled with natural light and offers plenty of space for everyone to spread out. At the rear, the kitchen features granite countertops, stainless appliances and a long breakfast bar that overlooks the family room. The screened-in lanai provides a perfect spot to grill up dinner or entertain game-day guests. The rest of the fenced-in backyard has plenty of space for your garden, fire pit or playscape. The primary bedroom includes a spacious ensuite with dual sinks, a soaking tub and a separate shower. The guest rooms down the hall both have big closets & ceiling fans. This floorplan also offers a laundry/drop zone with lots of storage at the entrance of the 2-car garage. Stonebriar is a quiet East Orlando neighborhood surrounded by lakes and conservation areas. You'll be just 10 mins from all the shopping and dining at Waterford Lakes Town Center, with the airport, downtown Orlando and I-95 just half an hour from your front door. =====
